FALL Board Meeting Notes

The IVSA Community BBQ was a blast! We would love to have EVERYONE come next year!

Events

Daylight Savings
Ends/Standard Time
Begins
Sunday, Nov. 3
2:00 am

Regulation Reminder

Please observe local ordinances for political signs!

[Political Signage Rules](#)

Energy Efficiency Tips

With the frequent blackouts we've been having your refrigerator takes a beating with power surges. Consider installing a refrigerator surge protector.

Thank You

Shout out to: John Tunis and Ray Lievens for shopping, setting up/taking down everything for Sunday's event and Sylvia Swirtz for the use of her tents!

Message to the Community

Soon you will be receiving a letter from the Oakland County Road Commission regarding the proposed replacement of the roads in our subdivision. There will be details with a date and time for you to attend an online presentation. We will be scheduling a community meeting to discuss this project, probably in November, and to answer questions before conducting a vote. Please hold off on contacting the board until we have all the information in hand. Thank you for your patience, it's been a long road getting here!

John Tunis
HOA Board President

FAQ

Where can I find information and updates about the community?

The [IVSA website](#) has updates, contact information, and links for everything related to our community. The Board also emails everyone with specific information regarding events, meetings, etc. The IVSA newsletter is sent out quarterly. You can also [email](#) the Board with any questions.

Happy Fall Y'all!
