Spring Board Notes

Keep your culverts clear!

The Independence Township Code of Ordinances requires stormwater systems be properly maintained to ensure adequate drainage, stormwater conveyance, and protection of downstream waterways.

Welcome Kevin
Standifer!

Please join us in welcoming Kevin to the neighborhood! He's just moved in and we're excited to have him here. Be sure to say hello and help make him feel at home! 🙌

It's Pothole Season

Please slow down, stay alert, and avoid potholes whenever possible. Report them to the Road Commission of Oakland County using [this form](#).

Letter to the Community

A quick reminder that some HOA dues are still outstanding. While we admire everyone's commitment to suspense, our budget prefers a little less mystery.

If you have not yet submitted your payment, please do so as soon as possible so we can continue taking care of community maintenance, shared expenses, and all the behind-the-scenes things that keep the neighborhood running smoothly.
